Jonathan, hi—I'm writing on behalf of the Attorney General of Texas, Ken Paxton, who will be joining your team for the dinner tonight in Midland. He's wondering if there's an opportunity to greet the Vice President at the tarmac when he arrives in Texas. (He'd be honored to be there, if so. I know it's the eleventh hour so changes to the plan aren't welcome, but figured we'd check.)!Thanks!
